‘Deciding to change our Nursery Photographer was a leap of faith from the reliable and predictable. Choosing Go West Schools has taken our photography into another dimension; creating contemporary and stylish images of happy, relaxed children. Parents are offered a choice of poses, styles and sizes at competitive prices which leaves them returning for more on our specially organised Family Photography Days which are excellent fund raising opportunities.

They take away the stress of organisation and administration, whilst the photographers achieve an ambience of creating happy, relaxed portraits – leaving us all to take the credit from our happy parents!

A thoroughly professional, reliable and inspiring combination - thank you Go West Schools, the best move we could have made.’

Jo Glazebrook, Maidstone

Lenham Nursery School

Go West Schools Photography provide an extremely efficient service, reducing the workload for our school administrative team and I would not hesitate in recommending them’.

Janet Herbert, Maidstone
East Borough Primary School

Go West Schools have brought a whole new dimension to photo time at Tiny Tots Nursery.

Not only have the children grown to love the photo sessions, and that includes even the most reluctant of children, both Carolyn and Tony seem to have the knack of being able to bring out the best in the children during the session. In so doing the parents are then presented with a fabulous selection of photos to choose from. Well done you two we look forward to welcoming you back to Tiny Tots very soon.

Amand Franklin, Bearsted

Tiny Tots Nursery

Smile

**No administration
Everything done in one day!**

Go West School Photography is a business based in Maidstone. We pride ourselves on our personal and modern approach to School Photography and some of the aspects that we consider set us apart include:

- Bringing child portrait photography into the 21st Century with an original, fresh style.
 - Organising the whole process - no administration for staff whatsoever!
 - Order forms can be given to the child immediately after the photo session.
 - “Click ’n’ Mix the images in the gallery to create your own package.
- Offering great value with versatile packages to suit all concerned
 - Using the latest digital technology
 - Covered by professional indemnity and public liability insurance
 - Photographers are enhanced DBS checked
 - Providing an excellent service is extremely important to us and we endeavour to be personally available throughout your association with our Company.

Working together with nursery schools

Early memories!

For Nurseries Go West School Photography take a little more time than usual because we believe you can't rush the photography of this age group and expect to get the very best pictures. We usually take a varied amount of photos of each child in different poses and also some with siblings and friends. We bring posing stools, baby supports and a selection of colourful balls and toys to make the session fun – to ensure the capture of those special moments.

Parents can order within 48 hours and choose from a variety of packages via our secure internet site - where only their child's photographs can be seen.

Photograph Days at Primary Schools

**Children grow up so quickly,
remember each step of their life!**

Go West School Photography offers a completely administration-free service for your school while offering parents a multiple choice of poses, print sizes and quantities.

We are accredited school photographers and provide a modern and fresh approach to this important day and use a white background for these portraits.

Class photos can be taken in traditional style or for those who want something extra, we photograph the children in small groups, creating a memorable collage showing the children looking relaxed and enjoying the company of their friends.

Eye Catching Portraits at Secondary Schools

Smile with confidence!

Stylish photography and efficiency is the key to secondary school portraits.

Go West School Photography can provide either individual image or multi-pose proof cards for parents to choose from. With a variety of packages to select using the form provided with their proof card or via our secure internet site.

We provide the school with a disk of all the images for easy import into the database.

There is no time consuming administration required by staff. It is all done on the same day! No batch distribution of proof cards or orders. No collection of monies. No chasing parents. It's all done for you.

School Proms

Looking good, feeling great!

Your prom night will get an exceptional package from Go West School Photography with a professional and highly experienced photographer, a compact mobile digital photography studio and the facilities on-site to view purchase, and take away mounted prints the very same night!

We can take formal or informal posed portraits of individuals, couples and groups from their arrival at the event and throughout the evening. As well as being available on the night, photographs can be ordered via our website.

Additional Ideas and Services

Why not book Go West School Photography to photograph your other School events?

We could attend Sports Days, Tournaments, School Plays, Trips or anything else that you and your pupils won't want to forget.

Family Photography

Natural and fun!

These photo sessions are fun for everyone - we set up a mini photographic studio in the school hall, usually on a weekend, for 15 minute slots for families and friends.

These special sessions also encourage grandparents and cousins to come along and take advantage of the opportunity for a 'family portrait'.

We bring a variety of toys and props to ensure we get the best from all involved and the photo sessions are informal, relaxed and enjoyable. The results produce family images capturing the stage of the children's lives that will last forever.

The sessions can be arranged at any time throughout the year and a wide range of products will be available - prints from size 6x4 to A2, framed photographs, canvases, acrylics, key rings and many other personal gifts.

The school receive commission from all sales for their school funds.
